Dear Friends:

It is our pleasure to provide the 2010 operations report for the BeInstrumental Foundation. With your continued support, we were able to:

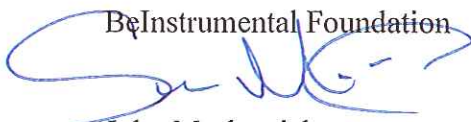

- Receive our 501(c)(3) tax exempt status as a public charity from the IRS.
- Increase our musical instrument inventory and the "Music Makes a Difference" scholarship fund. We are the only charity in Toledo dedicated to providing free musical instruments and music lessons to inner-city children.
- Commence our BeInstrumental Artist program. This program of professional musicians volunteers to provide free music workshops and mentorship opportunities to Toledo area students and music programs.
- Obtain a \$50,000 grant from the Pepsi Refresh Project to provide students with free music lessons, as well as to purchase additional musical instruments for use in their music programs.

These exciting changes, along with the increased inherent strength of the organization, provide footing for the continued success and growth of BeInstrumental. Since our inception, we have been driven to provide students in Toledo with free musical instruments, free music lessons, band scholarships, and educational/personal mentoring.

We believe that we have made, and will continue to make, a difference in the lives of both our students. Each of our efforts is only possible with the backing of our generous supporters and donors who agree that every child in Toledo deserves access to a musical education.

On behalf of the Board of Directors, our students, our schools, and our supporters, thank you for your steadfast support throughout 2010 and I look forward to a very productive 2011.

Sincerely,

BeInstrumental Foundation
