Studies have shown that students who have had musical education in their backgrounds are more likely to become college graduates. By providing financial assistance toward the Music Makes a Difference Scholarship Fund, you will be helping students achieve their dreams.

about

The Belinstrumental Foundation is an Ohio not-for-profit corporation dedicated to harnessing the power of the arts to provide educational opportunities, financial assistance and other resources to aspiring musicians and artists.

Belinstrumental was founded to create, cultivate and support music and the arts within your community. We provide resources to local school music programs and support students with access to lessons and mentorship from professional musicians and organizations.

Belinstrumental partners with local schools and professional musical groups such as your local symphony, opera and orchestra, as well as private groups and foundations.

Funding for the arts and music is at an all-time low. We are pleased to offer the following:

- ▷ Scholarships and grants for individual music lessons
- ▷ Tuition for music schools
- ▷ Musical instrument donations
- ▷ Scholarships to music schools and summer camps
- ▷ Financial support and sponsorship to local music programs

Members of the Belinstrumental community are active volunteers within the region. This is our way of working hand-in-hand with musicians, artists, community leaders, faculty, staff and other volunteers to give back and make a difference.
